Dear Sir:

Your letter of March 1st just received. I am planning to ~~play~~ in Savannah Ga, and am trying to arrange a profitable trip on my way back after I break camp. I have a copy of your schedule, and find the only day I could use in Spartenburg is Tuesday April 23rd. I would like to play a night game at the league park on that day. There is no date available in Greenville that I could use on this trip.

I may also return to Spartenburg on May 15th.

Please let me know about terms, rental of park, cost of lights etc. I will send placards to be distributed to you. Please send me the name and address of the park for the cards.

Please secure the park right away, so I will know what to do about the other dates.

I am planning this game in Spartensburg to be playing The Newark Eagles vs The Cuban Stars. If I return on May 15th it will be The Newark Eagles vs The New York Black Yankees.

Will greatly appreciate hearing from you at once.

Very Truly Yours
